

Meeting the Unique Needs of Adolescent Mothers and Fathers

Participants will learn about:

- Adolescent development as it relates to parenting
- Systems that impact adolescent parents
- Strengths, opportunities and challenges young parents bring to their new role
- Research on best practices for working with adolescent parents
- Meaningful ways to communicate concepts to adolescents

For Professionals Working with Teen Parents

Presenter: L. Suzanne Fust, MPH, PhD

Dr. Fust is a developmental psychologist and a professor at Metropolitan State University, where she runs the Student Parent Center. She has worked with parents and children for more than 30 years as a home visitor, support group facilitator and parenting educator.
